

Request for Council Action

Meeting Date: November 26, 2018

Subject: Victoria Residents First website

Staff Contact/Department: Interim City Manager Doug Reeder

Proposed Motion: Motion to adopt a Resolution 2018-XX, A Resolution Addressing the Mayor's Social Media

OR

No action

Background: At the November 13th Council Meeting, the City Council discussed a data request received for information on the Mayor's social media. As part of that discussion, the City Attorney suggested that it would be a good policy for the City Council to adopt a resolution which clearly states that the City Council finds that since the Mayor's social media is not sponsored by the city, that the Mayor is responsible for any claims, suits or liability arising from his website "Victoria Residents First" and is responsible for responding to data requests concerning this website. The attached Resolution does that.

Financial Impact: The purpose of the Resolution is to eliminate city financial responsibility.

Legal Review: The Resolution was prepared by the City Attorney

Recommendation: Staff recommends that the City Council adopt this Resolution.
